TO WHOM IT MAY CONCERN

SOLID Hygiene Solutions have been taking care of our pest control requirements for a year ie. for the kitchen and dining room areas, as well as the termite and ant problems at our residential units. We are extremely satisfied with the service delivery of Roger and his business and he has always been punctual with his appointments. Besides the good service delivery, the products and work done has been very effective compared to what we received from previous service providers. Our experience has been of such a nature that we would gladly recommend him and his business to any individual or company who seeks the services of a pest controller.

Yours sincerely

HI IAN

Firstly thanks for the very prompt payment.

I have the opportunity to get into the Masscash group. They are asking for letters of reference regarding my service, reliability etc. Would you mind doing one.

Regards

Roger Hagerty
